RE: Progressive Agricultural Safety Days

Battlefords Agricultural Society is excited to host the Progressive Agricultural Safety Day Program on Friday May 8, 2020. It is the largest urban and rural safety and health education program for children in North America. The program is sponsored by the Saskatchewan Association of Agricultural Societies and Exhibitions (SAASE), CASA and many generous sponsors such as yourselves.

The mission of the program is to provide education and training to make farm, home, ranch and rural life safer and healthier for children and their communities.

We are inviting all primary students from grade one to six. Teachers and chaperones **MUST** accompany all children.

The Progressive Agricultural Safety Day Program is geared toward grades 1 to 6.

Participation in the program is free thanks to the generous sponsorships. We are writing to ask if you would generously sponsor this very important event. We are anticipating 500 students and approximately 170 chaperones/teachers. We plan to serve hotdogs, a drink and one piece of fruit or fruit snack to each person attending free of charge.

Lunch will be served in the both the Agriplex and Agrivilla Buildings between 11:45 and 12:45 at no charge. Everyone will switch to the other building following lunch to start the afternoon sessions promptly at 1:00 pm. At the end of the day each student will receive a gift bag.

All sponsorship will be greatly appreciated. As a sponsor you will be recognized during our Safety Day as well be listed as a sponsor on our website and Facebook. A **TAX RECEIPT** will be issued. If you have any questions or concerns please feel free to give me a call at 306-441-9364. We look forward to your sponsorship of this fun filled educational event!

Thank you in advance for your generous support!

Rhonda Erickson – Safety Day Coordinator,

Battlefords Agricultural Society

BAS DIRECTORS:

Tanya Beland Rhonda Erickson Dana Alexander Barb Paradis
